THE FOREIGN SERVICE  
OF THE  
UNITED STATES OF AMERICA

May. 12, 53.

Dear Gordon,

I am most happy to report that my citizenship case is now in the mill. I got an unexpected urgent message from the Dept. of State New York office, that I can file the petition for citizenship by mail from Munich. The Dept. sent me the papers to fill out, I signed and as ordered I sent it to the Dept.'s New York office, which, according to the message, will expedite the hearing, which means the very final step.

This new development does not change my intentions, [i.e.] simplifies the procedure to obtain the "last papers", without my interim idea with Free Europe. I am most anxious to be with you.

Though the Voice of America's New York office is handling now my case, and at this time, I think they mean real business, your benevolent interest in expediting it, would be more than appreciated.

My Alien Registration Number is : 689E453.

Thank you, and with best wishes, *as always*
